

Placer United Soccer Academy

In Association with Vision Soccer Training

Summer Soccer Camps 2008

Program: The camp will consist of various games and exercises specially designed to create a challenging and fun environment for all participants. Each day campers will take part in various games, exercises and mini tournaments which will improve technical skills and tactical knowledge.

Staff: The academy camp will be administered by Placer United Academy directors, James Kavanagh and Lee Callow. Both James and Lee have extensive experience working with children of all ages and skill levels, throughout North America and Europe.
